

TBM Sisterhood

**Making your house of
worship more like a home**

Sisterhood is a dynamic group of multi-generational women working together to support the TBM community. Sisterhood is essential to making Temple Beth Miriam a warm and welcoming community. Throughout the year, this group creates opportunities for women of all ages to connect spiritually, socially and charitably while passing down our traditions l'dor v'dor (from generation to generation).

Please join Sisterhood! We have programs throughout the year celebrating holidays, gathering together for social programs, fundraising events, and more. Make new friends, and help Sisterhood build an ever-stronger community by joining TBM Sisterhood. Get involved by joining a committee or serving on the Board. All Temple families are encouraged to pay annual Sisterhood dues and additional donations are always appreciated. Other fundraising efforts take place throughout the year. Sisterhood is extremely grateful to all who participate. Visit the TBM website and see E-Lijah for updates.
